SELECTED WORKS

Student Profile Portal

Designed a student profile portal for I.T. Department, DJSCE. Profile helps you to showcase your personality, skills, achievements, areas of expertise, advancements in career and so much more. The increase in competition calls for a more effective way of evaluation beyond academics to gauge student calibre. Having an effective profile helps employers/teachers to know you better and help you find relevant opportunities.

The Breakout Hunt

Redesigned The UI for The Breakout Hunt app which is India's first and only breakout scanner app that helps you scan stocks that are on the verge of breakout on multiple time frame.

Placement Portal

Designed and developed this portal that helps the faculty placement coordinators identify and assess students' key skills and expertise, as well as their readiness for placements. Different modules in this portal cover all relevant aspects such as cognitive, domain, personality, and others that will aid them in their preparation for placements.
